WORK EXPERIENCE

iOS App Development Intern

June 2024 – July 2024

Alliance University - Nissi Software Solutions, Bengaluru

- **Designed and Developed High-Quality iOS Applications:** Created and designed robust, high-performance, and responsive iOS applications that met the highest standards of quality and user experience.
- **Collaborated with Cross-Functional Teams:** Effectively worked with multidisciplinary teams, including design, development, and testing professionals, to define, design, and deliver new features and functionalities.
- **Adhered to UI/UX Standards:** Demonstrated a deep understanding of UI/UX standards and Apple's design principles and interface guidelines, ensuring seamless integration and compliance with the iOS ecosystem.

EDUCATION

B-Tech in Computer Science and Engineering

2021 - 2025

Alliance College of Engineering and Design, Bengaluru, Karnataka

CGPA: 7.8/10

Class 12th

2020 - 2021

Bellary Independent PU college, Ballari, Karnataka

Percentage: 9.8/10

Class 10th

2018-2019

Wisdom Land High School, Sanganakal, Ballari, Karnataka

Percentage: 9.6/10

PROJECTS

- **Online Notes sharing system:** Designed and developed a comprehensive Web-based platform for sharing and management of course notes amongst users. It allows for one secure and easy interface to upload, organize, and download educational material
- **Account Manager:** Developed a secure and user-friendly Accounts Manager App designed to streamline individual user access to online credentials. The application primarily focuses on securely storing the details of each user's social accounts, ensuring that this sensitive information remains confidential and accessible only to the respective user.
- **Personal Portfolio:** Created a personal website to show off my abilities, work, and job history. The site has a simple and up-to-date look, putting the spotlight on main projects. It gives full details about each one, lists the tech used, and offers links to see them in action and check out the code.

AWARDS & ACHIEVEMENTS

Academics:

- Participation in CTF event
- Participation in Java Quest competition
- Participation in Blind Coding competition

Extra and Co-Curricular: Part of the winning team of Alliance One Event, Alliance University -2022

COURSES AND CERTIFICATES

- **Developing Front-End Apps with React** – IBM (Coursera).
- **Capstone React App** – Meta (Coursera).
